WE'VE GOT INFO

STAY INFORMED WITH . . .

Family RVing magazine, available in print and digital editions and a website version. This colorful magazine is packed with RV tips, member profiles, tech articles, travel features, DIY projects, product updates, and much more. Check the classified and display advertisements to learn what's new in the RV marketplace. Visit familyrvingmag.com.

Family RVing's digital edition is available to readers about one week before the paper version lands in mailboxes — a great way to get an early peek. Members and subscribers can download a PDF copy of the magazine to read any time, even when no internet connection is available. Archived digital issues beginning with the January 2013 edition are available as well, and the website contains archived magazine content dating back to 2002. So, you can dig around in a virtual library of RV topics anytime, online.

RV education. FMCA enables members to participate in important RV-related education programs. The association may contribute toward the expense of learning opportunities to reduce out-of-pocket costs to members.

FMCA Forums. What better way to learn than from someone who's been RVing for years? WE'VE GOT CONNECTIONS

It's a big RV community out there, full of friends you have not yet met. Stay in touch with the FMCA national office and with fellow members! One of the most valuable benefits of membership in FMCA is the opportunity for long-lasting friendships. How else could you meet so many diverse people, all of whom share your interest in RVing?

CONNECT WITH . . .

FMCA chapters. The association recognizes approximately 300 chapters across the United States and in Canada. Many of these groups encompass specific or general geographic regions. Meet fellow members in your hometown, state, or province. Other chapters are focused on ownership of a particular brand or model of RV. And still other chapters are based upon some common interest, such as music, amateur radio communication, sports, or coach conversions.

Check the full list of FMCA chapters at www.fmca.com/fmca-chapter-search, where you can search for a chapter according to your location or interest. The list also is published in the January issue of the magazine. You're also welcome to start a new chapter. FMCA's Chapter Services staff at the national office can provide details.

FMCA International Conventions and RV Expos take place twice a year. Each four-day convention is filled with live entertainment, informative seminars, social events, and an array of RV-related merchandise and exhibitors. Make new friends or meet up with longtime pals so you can experience it all together. If you have never attended an FMCA international convention, do not miss your next opportunity! (See "Upcoming Conventions.")

FMCA area rallies also pack in the fun, but on a smaller scale. FMCA has 10 areas that generally hold annual rallies in places around North America. Details about these events appear online and in each issue of *Family RVing* magazine.

FMCA chapter rallies are where many close friendships start. These smaller events, hosted by chapters around North America, are listed at FMCA.com/fmca-events. FMCA members are welcome to attend any of the rallies listed in the Association Events calendar (some require reservations and have space limitations; some chapters have specific membership requirements). To publicize their groups' rallies, chapter officers can use the online form at FMCA.com or email the information to calendar@fmca.com.

This information is a brief description of the important features of this insurance plan.

Insurance described herein is offered by Family Motor Coach Association (FMCA). Insurance coverage described is underwritten by Arch Insurance Company, NAIC #11150, a member company of Arch Insurance Group Inc. The policy contains reductions, limitations, and termination provisions. Full details of the coverage are contained in the policy. If there are any conflicts between this document and the policy, the policy shall govern. Not all coverages are available in all jurisdictions. Please refer to your policy for detailed terms and conditions.

All services must be arranged and provided by our designated emergency assistance provider. No claims for reimbursement will be accepted. The assistance services in this brochure are only intended to serve as a general overview of the emergency travel assistance services available. The services available to you may vary from what is listed in this brochure. For a complete description of the services, please contact Arch Insurance Solutions. Our designated service provider is not a provider of travel or medical insurance, rather it is a provider of global emergency services. These services do not replace medical insurance during medical emergencies away from home. While assistance services are available worldwide, transportation response time is directly related to the location/jurisdiction where an event occurs. Our designated service provider is not responsible for failing to provide services or for delays in the delivery of services caused by strikes or conditions beyond its control, including by way of example and not by limitation, weather conditions, availability of airports, flight conditions, availability of hyperbaric chambers, communications systems, or where rendering of service is limited or prohibited by local law or edict. All consulting physicians and attorneys are independent contractors and not under the control of the designated service provider or Arch Insurance. Neither are responsible or liable for any malpractice committed by professionals rendering services to a member.

Assistance services are administered and provided by third parties not affiliated with Arch Insurance. To the extent these services or any advance payments are not included in the program, covered persons will be responsible for payment.

MEDJET – AIR MEDICAL TRANSPORT AND TRAVEL PROTECTION

If you're hospitalized 150 miles or more away from home, or your safety is threatened, you have someone to call if you're a **Medjet** Member. Their air medical transport benefits get you moved to a hospital at home if the worst happens (travel insurance typically only gets you to the "nearest acceptable" hospital), and their MedjetHorizon membership adds 24/7 security and crisis response benefits for a wide range of safety threats during international and domestic travel. It's the program of choice for thousands of travel writers and experts, and trusted by organizations like the NFL. Medjet is offering FMCA members reduced rates on annual and multi-year memberships for individuals and families at www.medjet.com/fmca or by calling Medjet at (800) 527-7478 and referring to FMCA.

FMCA RV INSURANCE – RV, HOME, AUTO

FMCA members have priority access to the industry's leading RV insurance experts. **FMCA RV Insurance**, powered by the FMCA Coalition, is made up of RV specialists from throughout the United States. Agencies who have served the RV industry since its inception offer coverage for RVs, homes, and autos. The program is available to FMCA members who are U.S. residents. These agencies, with well over 100 years of combined experience with RV specialty insurance, bring a multiagency, multicarrier design, providing members more competitive rates and a wider range of coverage. As RV insurance specialists, the selected carriers know what it takes to maintain and repair your RV, so they are able to offer more of the coverages you as an RV owner need.

Here are some of the key benefits offered through the FMCA RV Insurance program:

- Discount for FMCA members.
- Annual policy reviews and rate comparisons available upon request.
- Multiple RV and auto package options.
- Select RV specialty coverages.
- Multiple Total Loss Replacement methods to better fit your RV lifestyle for eligible FMCA members who purchase a new RV.

Provided by **LIG Solutions**, coverage options include major medical, Medicare*, short-term health plans, vision, dental plans, critical care coverage, disability, life, and additional supplemental health and wellness options.

LIG Solutions also offers FMCA members a national Rx pharmacy program that is revolutionizing the way you get your prescription drugs and their pricing. This is a cost-effective monthly membership program (NOT a discount/savings card or insurance) that has real pharmacists, based out of Akron, Ohio. They offer set pricing for acute, chronic, and over-the-counter medications; home delivery service and pharmacy pickup; and exclusive savings on diabetic supplies and medications.

Note: Available plans can vary by state and state health care regulations.

*Disclaimer: Not affiliated with the U.S. government or federal Medicare program. Medicare is available to some individuals under the age of 65 in limited circumstances.

With the FMCA Health Plan, members enjoy many value-added benefits at no additional cost.

INTERNATIONAL TRAVEL INSURANCE

If you travel outside your home country, your domestic insurance may not cover you if you become sick or injured. If you are a U.S. citizen with Medicare, you should know that Medicare may not cover you outside the United States, except in very limited situations.

FMCA partnered with Arch to provide an optional **RoamRight** plan that covers you anywhere in the world, as long as you are traveling outside your home country. By purchasing this insurance, you deal with an organization familiar with handling international claim payments and translation services. That way, you can concentrate on getting well.

For a complete list of benefits, a free quote, and more information, visit www.fmca.com/international-travel-insurance.

FMCA PET INSURANCE

If you have a pet, you know how expensive it can be to provide veterinary care for them, whether it is well care or a sick visit. And if your cat or dog does fall ill, it could be heartbreaking to have finances stand in the way of obtaining care for them.

Good news! FMCA members have access to pet insurance options for dogs or cats, brought to you by our partners at **FMCA RV Insurance**.

This insurance is great for travelers, because pets can visit any licensed veterinarian. There are carriers and plans based on your specific needs and budget. Visit www.fmca.com/rv-pet-insurance to read about available plans and obtain an online quote.

GROUPEE

Grouper works with participating Medicare Advantage and Medicare Supplement plans to cover your FMCA membership dues, so you can focus on what you love. Don't worry about the cost — **it's on your health plan**. To learn more and find out whether you are eligible, visit www.fmca.com/grouper.

DISCOUNTED RATE FOR FMCA CLASSIFIEDS

Use your FMCA membership to get a deal when placing a classified ad in *Family RVing* magazine. RVs, RV lots, RV accessories, and related items can be found in the Classifieds section of the magazine and at FMCA.com. Family, Associate, Life, and Pathfinder members of FMCA are entitled to 20 free words per calendar year, one issue only, in Classifieds.

This benefit is worth \$12 to family members, as classified ads with standard run-on copy normally cost 60 cents per word for noncommercial advertisers (minimum of 10 words).

Family members also may design an "enhanced text" classified advertisement for inclusion in the Classifieds section. This type of ad includes bold type, centered lines, and uppercase or lowercase letters. The cost is \$8.10 per line of type (maximum 30 spaces per line) for non-commercial advertisers.

The rate for commercial advertisers is \$1.25 per word for standard run-on copy and \$17.85 per line for enhanced-text classified copy. Commercial advertisers must include the company name in their ad. Add a black-and-white photo or logo to your ad for \$75; color, \$100.

Magazine classified ads also appear on FMCA.com and run the same length of time as your print ad.

To submit an ad for Classifieds, use the mail-in Classifieds Ad Form that appears in that section of the magazine, or provide the equivalent information.

By email, send ads to magazineclassifieds@fmca.com. Before preparing your ad, please read all instructions included in "Family RVing Classifieds Ad Rates And Procedures," located in the magazine. Classified ads must be received in writing; ads are NOT accepted over the telephone.

Twenty-four-hour access to all campground information and updates is also available at PassportAmerica.com.

The directory also indicates each campground's individual guidelines (reservation requirements, number of nights that discounts are extended, etc.). These vary, because Passport America member RV parks are individually owned and operated. Access to Passport America campgrounds is on a space-available basis.

You may use your Passport America card as often as you like, for the term of your membership. Look for the Passport America ad in issues of *Family RVing* magazine, as there is a discount for new Passport America members.

➔ TAKE YOUR FMCA MEMBERSHIP TO THE NEXT LEVEL BY JOINING A CHAPTER!

The purpose of FMCA is to promote the RV lifestyle and friendships among RV owners. FMCA chapters give members an opportunity to use their RVs and meet others who also enjoy RV travel. Each chapter has its own “personality,” and many chapters bring RV owners together by geographic location or specific interest (RV brand, hobby, etc.). But the common thread among all FMCA chapters is the emphasis on having fun and sharing experiences.

Chapter rallies may take place on weekends or during the week, at nearby locations or interesting sites farther away. Sometimes they are organized to coincide with a specific event, activity, or attraction. Others are informal occasions for members to enjoy their time together.

THE FOLLOWING PAGES ARE TO ASSIST YOU IN BECOMING ACQUAINTED WITH AN FMCA CHAPTER.

The accompanying map indicates which of FMCA’s nine geographical areas encompasses your state or province of residence. Immediately following are breakdowns of each of the geographical areas, in addition to the International Area (consisting of chapters formed by some special interest as opposed to geographical boundaries), and the name of the area president for each. (Note: Area representatives represent all FMCA members within a given area, whether affiliated with a chapter or not.) A state-by-state/province-by-province list of chapters is given next. A member who lives in New Jersey, for instance, would check the names of the chapters listed under New Jersey. Next he or she would consult the alphabetical listing of all FMCA chapters that follows. There you will find listed the contact person and, in some cases, the website, for all FMCA chapters. Since International Area chapters are targeted to a special interest rather than a geographical area, these chapters are included in the alphabetical listing only. In some instances, the special interests of these chapters have been designated.

➔ CHAPTER LISTING

This state-by-state and province-by-province listing of chapters is being published as an aid to FMCA members seeking a chapter that includes the members' home state or province in its scope. Individual chapter charters include scopes that are sometimes general in nature, such as "Eastern United States." An individual chapter, therefore, may interpret its scope differently from the designations included in this listing. International Area (non-geography-based) chapters are listed on the prior page.

This information is to be used only for chapter-related inquiries.

➔ STOPPIN' SPOTS

Members listed as “Stoppin’ Spots” participants within the Membership Directory at FMCA.com — <https://www.fmca.com/member-help-search> — have volunteered to aid fellow members in their travels. Four categories of services are included, and results can be narrowed down by selecting certain states or provinces, cities, or zip/postal codes.

STOP OVER SPOT

FMCA members are welcome to stop over at the participating member’s home for a 24-hour emergency stay.

COME VISIT

FMCA members are welcome to visit these members on a friendship basis for a 24-hour period, unless the host member invites them to stay longer. Remember, if these members didn’t want you to stop, they wouldn’t have offered this friendly gesture.

MECHANIC’S HELPER

These FMCA members are available to advise fellow members whose RVs have broken down on the road or need repairs as to where in that area they can obtain good, knowledgeable RV service.

PINCH HIT DRIVER

Members faced with an emergency and in need of someone to return their RV for them should consider this option. Keep in mind that members who live in either the RV’s current location or its destination may

be of help. Also, please remember to defray any costs incurred by the Pinch Hit Driver.

PLEASE NOTE: The information within this directory is to be used only by FMCA members who are traveling and find that they are in need of one of the services offered. Any other use is expressly prohibited.

VOLUNTEER YOUR ASSISTANCE

Any FMCA member who would like to be included on the “Stoppin’ Spots” list in one or more categories should indicate this via the My Profile page on the Membership tab at FMCA.com, or contact the Member Services Department at the FMCA national office (8291 Clough Pike, Cincinnati, OH 45244; 513-474-3622 or 800-543-3622; email: membership@fmca.com) and ask to be listed as a “Stoppin’ Spots” participant. Remember to keep your profile information updated.

The individuals listed in the “Stop Over Spot,” “Come Visit,” “Mechanic’s Helper,” and “Pinch Hit Driver” compilation have asked that they be included, and any services offered by them are provided by them as individuals and not from FMCA. Any member or volunteer offering, providing, or accepting the services described above does so at his/her own risk. FMCA makes no representations or warranties whatsoever regarding the services provided or those who may provide or request such services. The association cannot attest to the reliability of any such service and accepts no responsibility.

➔ MOTORISTS' RESOURCE LIST

Information for all drivers, including RV owners.

The phone numbers and websites below, organized by U.S. state and Canadian province, can be used to obtain information about license and vehicle registration requirements, road conditions, traffic updates, and more. Note that the availability of information varies by state and province.

When searching online for additional information, include the name of the state or province along with keywords such as “division of motor vehicles,” “department of transportation,” “traveler safety,” “road conditions,” “highway patrol,” and “state/provincial police.”

Many states and provinces also employ 511 – a transportation/travel hotline. Travelers can dial 511 on their mobile phones to receive automated information about travel and traffic conditions. (Areas that do not utilize the 511 system often have other travel information hotlines in place.)

➔ DISTRACTED-DRIVING LAWS

According to the Governors Highway Safety Association, as of June 2024, 30 U.S. states and the District of Columbia prohibit the **use of handheld cellphones** for drivers of all ages. The majority are primary enforcement laws, meaning an officer may cite a driver for handheld cellphone use without any other traffic offense taking place at the same time. In addition, **text messaging while driving** is prohibited for all ages in every state but Montana. A chart of distracted-driving laws by state is available at ghsa.org. For links to the websites of state highway safety offices, visit ghsa.org/about/shsos.

For driving laws and licenses in Canada, visit the Government of Canada's website: Canada.ca. Information about driving laws and licenses is found at bit.ly/2Tb79OD.
